LEGION LETTER

THE ROYAL BRITISH LEGION
PARIS BRANCH

JANUARY 2008

Chairman's Report

On your behalf may I thank all those members of your Committee who agreed to stand again, and who were re-elected at the AGM in December. Nicholas Harding felt that the pressure of his professional work meant that he was not able to continue his membership of your Committee and has resigned. My colleagues and I would like to thank him heartily for his very dynamic participation in Committee discussions. We hope he will see his way clear to coming back aboard later.

Meanwhile we remember especially as we enter 2008 those members of the British armed forces who are putting their lives at risk in Iraq and Afghanistan. This is the time of year when our plans are made for the year ahead. It will indeed be a vintage year in the history of the Royal British Legion worldwide, since we shall be commemorating the 90th Anniversary of the Armistice in 1918. In common with other branches our own Service of Commemoration on 11th November will take on a special significance. We hope that where possible we shall be able to hold joint events with our French hosts. Your Committee is planning our social events for the coming months, and the dates of the monthly lunches are announced in this Newsletter by the Social Secretary. We draw your attention to a special evening in April when 3 French lady artists will talk to us about their work and will exhibit their pictures. The date will be announced shortly.

In the Spring we plan to hold another Branch ceremony of Commemoration in one or more of the Commonwealth War Graves in the Paris region, including the cemetery at Saint Germain-en-Laye at the grave of Admiral Ramsay. Details will follow.

On 23rd April we look forward to a very special event. One of our members, Dr François Archambaud, himself the son of a Résistant, is President of the Association Mémoire et Espoirs de la Résistance (M.E.R.). Jointly with the M.E.R. our Branch will hold a ceremony at which wreaths will be laid at the statues of Général Charles de Gaulle and Sir Winston Churchill, followed by an informal dinner. We hope as many Paris Branch members as possible will turn out for this event. Details will follow.

Finally your Committee thanks all those Branch members who supported our Christmas Tombola. The contribution made in this way to General Fund finances is greatly appreciated. The list of winners is posted in this Newsletter.
