March 2008

Dear Member,

In this the year of the 90th Anniversary of the Armistice we look forward to organizing appropriate joint events with our French hosts in the Autumn. Meanwhile we give details below of two events in April with a very distinct French flavour, which we hope you will support. Meanwhile our hard-working Social Secretary, Joan Hicks, reminds us that the next Club lunch takes place at 8, rue Boudreau on Thursday, 27th March. Details have already been circulated.

Yours sincerely,

Roger Thorn
